Primary Parking: Instructions to Chemistry Parking Lot

Please use these instructions to park at the Chemistry Parking Lot unless otherwise instructed to use the Bryan Center Parking Garage.

From Towerview Rd, you will turn onto Circuit Drive across from Fuqua Drive. Turn right into the chemistry lot and enter ##55331 to enter the gated lot. Once in the lot, continue to the end and stay to the left at the first fork in the road. Drive past the greenhouses to the furthest set of parking spots. The star on the diagram represents the parking space, RSVD 0077 labeled with our Duke Canine Cognition sign. Please call when you arrive so that we can meet you at the parking spot with a parking pass.

Upon parking in the parking spot, the lab will be directly across from the spot. Look for a back landing dock with a DCCC sign on it. The entrance to the lab is a marked door on the landing dock. When you knock on the door, we will let you in!

Secondary Parking: Instructions to the Bryan Center Parking Garage

Please use the Bryan Center Parking Garage only if you are instructed to park there or if you encounter problems parking in the Chemistry Lot.

The Bryan Center Parking Garage is located on Science Drive. If you park here, you will receive a parking pass from the DCCC before you leave so that you will not have to pay for parking. The map below shows how to get from the Bryan Center Parking Garage to the DCCC.

Please DO NOT enter the building through the main entrance. You will see a DCCC sign directing you around the building, to the entrance of the DCCC. The entrance is marked with a sign. If you cannot locate the entrance please call us at 919-613-6976.
